# **Mooring fee structure**

It is difficult to get all mooring fees paid by May 1<sup>st</sup> it's August and they are still coming in. Knowing who is giving up what by May 1<sup>st</sup> --- assigning new moorings from the waiting list is difficult

This structure will greatly aid in getting it done early and increase the income of the Harbor Department.

#### Present fees:

**Resident non-commercial**  $1^{st}$  \$50  $2^{nd}$ -on \$80

Non Resident or Commercial All \$300
